

Of all the forms of inequality,  
injustice in health care is the  
most shocking and inhumane.

— DR. MARTIN LUTHER KING JR.

It is not enough for Catholic health care institutions simply to avoid injustice. We are called to strive for the righteousness of the Gospel. Our call to eradicate disparities in health care and celebrate the diversity among us arises from Catholic social teaching which is rooted in Scripture. Let us open our minds and hearts to receive God's word. And so we pray,

*Loving God, as the people of Catholic health care we work to bring alive the Gospel vision of justice and peace. We pray that your Spirit will gift us with courage and imagination, guiding our actions and decisions as we strive to create a just world. We ask this through Jesus your Son. Amen.*
